

The quickest way from Health Sciences Parkade to the Beaty Biodiversity Museum.

1. Park in Health Sciences Parkade. Exit and find East Mall (look for street signs). Walk North on East Mall.
2. Continue walking North to the 4-way stop at the corner of East Mall and Hospital Lane.
3. Cross East Mall at the pedestrian crosswalk. Turn right and cross Hospital Lane, finding the asphalt pathway.
4. Follow the asphalt pathway, curving right to the lamppost.
5. Pass the lamppost, curving left. Look into the Biodiversity Research labs on your left as you pass.
6. Continue left on the concrete, past the bike racks.
7. Go up the slight incline.
8. Pass the bridge and go around the first pillar.
9. The museum entrance is just on the other side.
