

UTOWN@UBC Nature Club

Plant Log

**Make new friends while getting to know your
human, plant and animal neighbours!**

a place of mind

ubcbotanicalgarden
& centre for plant research

Use this log to record information about the plants you collect and press.

Remember the Botanist Oath:

- I will only collect in places where I have **permission**.
- I will only collect a leaf, a flower, or fruit, **never the entire plant**.
- I will collect **less than** 1 plant out of 20.
- If I collect a **weed**, I will be careful to prevent the seeds from spreading.

Where are the best spots to find interesting plants in your neighbourhood and on campus?

Explore UBC's campus!

Keep a list of your favourite spots:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

Date _____ Location _____

Common Name (if you don't know the name, invent one that describes the plant)

Scientific Name

Location

Habitat (forest, roadside, lawn, backyard, etc.)

Collection Number _____

(put this number on the newspaper in which you pressed you plant)

Plant Description

Plant size

Leaves characteristics

Flowers and fruits characteristics

Date _____ Location _____

Common Name (if you don't know the name, invent one that describes the plant)
